## Team Equipment Load-In

1. February 28, 2025 Team equipment vehicles start lining up no earlier than 5:00 PM.
2. Beginning at 5 PM three Team equipment vehicles load-in at the same time.
3. As soon as a Team equipment vehicle is unloaded, it moves to the parking area and the next Team equipment vehicle moves into it's place to load-in.
4. If an average unloading time is 16 minutes then 34 Teams can load-in over a 3 hour period.
5. Teams should be made aware that the 'waiting in line time' will depend on how many Teams are in line ahead of them.
