General Guidelines for the event

- We ask that only team members and coaches be on the second floor, parents and families please stay on the first floor.
- There will be a designated area provided for families to eat lunch in the elementary building. Please meet with your students there to have lunch.
- Please make sure that all students are where they are supposed to be. We are hoping to keep this event fun and on time.
- Please be aware the times provided to the teams will be the time we need you on the competition mat not the time we need you checking in for your match. For the sake of time, if you are 2 minutes late for your field match it will be rescheduled. Please work to be either early or on time so we can keep the event running smoothly.
- If there is ever a conflict between judging and field competitions. Go to judging. Our Queueing team will communicate with you when your makeup match will be held.
- Because there will be practice tables provided, any practice setups (mats or missions) being used outside of the approved room will be requested to be put away.
- First inspires and First in Texas Team Rosters are required for this event. Please bring a printed copy of your team rosters for the registration team to validate. Any student who is not on the roster will not be allowed to participate without the necessary waiver. We will have limited capability to print, so please have it printed in advance.
